Building Trust

Competence

1

Am I competent in the role I am filling on the team and in the company?

In the eyes of the people I supervise, am I competent to lead?

Reliability

2

Can the team count on me to be there every time?

In the eyes of the people I supervise, am I considered reliable and trustworthy?

Sincerity

3

Does the team have confidence that I mean what I say and say what I mean?

Do I have credibility with the people I supervise?

Caring

4

Do I demonstrate by my word and by my actions that I care about the people on the team?

Do the people that I supervise believe that I care about them as people and about their success as employees?
